PROJECT DESCRIPTION

YOO at Metropica will be located within a 65-acre master planned development. The community will provide a multitude of amenities such as

- Conveniently located shopping and retail stores
- Multitude of restaurant dining experiences
- Outdoor wifi stations to enable enjoyment of green spaces
- Five-star health, wellness and fitness facility
- A resort-styled, South Beach inspired “beach club”
- A community oasis that will provide a retreat from the residential towers into a serene setting
- 7th floor recreational amenities such as a tennis club, mini-soccer fields and more.
- 650,000 square feet of office space
- 2,250 residential units
- 3,600 retail area parking spaces
- Two hotel, 120 rooms each
- 485,000 square feet of fashion, lifestyle, restaurants and entertainment
- 4,000,000 sf of total project size

DESIGN TEAM

This flagship residential building is a design-collaboration of

YOO | INTERIOR DESIGN

Founded in 1999 by international property entrepreneur John Hitchcox and ubiquitous designer Philippe Starck, YOO is a residential and hotel design company offering the creative visions of world renowned designers Philippe Starck, Marcel Wanders, Jade Jagger, Kelly Hoppen, Steve Leung and the YOO Studio. With 51 projects in 40 cities and 26 countries, throughout Asia, Africa, Australia, Europe, North and South America and the Middle East, YOO is a thoroughly international lifestyle brand.

OPPENHEIM ARCHITECTURE + DESIGN | ARCHITECTURE

Chad Oppenheim, lead designer and principal of Oppenheim Architecture + Design, is a Miami based international architect whose award-winning work encompasses all realms of design, ranging from largescale urban architecture, hotels and resorts, and luxury homes to interiors and furnishings. Founded in 1999, Oppenheim Architecture + Design has garnered global recognition for socially and environmentally conscious architecture, as well as setting trends in the sustainable and humanitarian sectors. An alchemist of atmosphere, Oppenheim transforms the prosaic into the poetic, eliciting a site's inherent power through passion and sensitivity towards man and nature. Projects spanning 25 countries have garnered the firm more than 50 industry distinctions, including over 40 AIA Awards.

EDSA | SUSTAIN GOING GREEN

For more than 50 years, EDSA, an internationally renowned planning, landscape architecture and urban design firm, has been creating sustainable outdoor environments to live, work, learn and play.

EDSA operates under the premise that successful urban environments are destinations that combine development and open spaces to create an exciting, viable neighborhood fabric. Through careful planning and analysis, EDSA urban projects are designed to provide optimal benefits to the surrounding community while addressing the complexities and intricate relationships that tie cities together.

From Malta to Mexico, working in nearly 100 countries across the globe, EDSA is committed to delivering thriving surroundings of both beauty and function.
